

DEBAJIT CHAKRABORTY

MIS EXECUTIVE

Location: Belghoria, Kolkata | Phone: +91 9163883143 | Email: debajitchakraborty96@gmail.com | Portfolio: theexcelbideveloper.netlify.app

PROFESSIONAL SUMMARY

Analytical **MIS Executive** with extensive experience in corporate data management, business reporting automation, and interactive dashboard creation. Proven expertise in transforming complex raw datasets into actionable executive insights using **Advanced Excel, Google Sheets, Power BI (Power Query, DAX), Zoho CRM / Books**, and **Generative AI tools (ChatGPT, Gemini, Copilot, Claude)**. Holds a B.Tech in Electrical Engineering with an internship at CESC, blending technical problem-solving with advanced business intelligence expertise.

TECHNICAL EXPERTISE & AI TOOLS

Advanced MS Excel:	XLOOKUP, VLOOKUP, INDEX/MATCH, FILTER, Pivot Tables, Power Query, Data Modeling.
Google Sheets:	QUERY, IMPORTRANGE, ARRAYFORMULA, Automated dynamic reporting & cross-sheet aggregation.
Power BI & Analytics:	Power Query ETL, DAX Functions, Relationship Data Modeling, KPI Dashboards, Data Viz.
CRM & ERP Systems:	Zoho CRM, Zoho Books (Client Onboarding, Account Creation & Financial Ledger Management).
AI & Productivity Tools:	ChatGPT, Google Gemini, MS Copilot, Claude AI (Workflow automation & prompt engineering).

CERTIFICATIONS

- **Business Analytics with Excel — *Simplilearn***
 - Mastered data modeling, dynamic dashboarding, Power Query ETL, and advanced formula analysis.
- **Power BI Data Modeling with DAX — *Simplilearn***
 - Gained expertise in relational modeling, custom DAX measures, Time Intelligence, and report visualization.

PROFESSIONAL EXPERIENCE

MIS Executive — <i>Vivre Panels Pvt. Ltd.</i>	Nov 2025 – Present
• Design executive sales dashboards in Advanced Excel and Power BI for revenue tracking. • Manage client onboarding, account creation, and financial ledger details via Zoho CRM and Zoho Books. • Construct robust Power Query ETL pipelines and DAX calculations to evaluate MoM performance metrics.	
MIS Executive — <i>Alpinist Multitrade International Pvt. Ltd.</i>	May 2024 – Sep 2025
• Engineered automated MIS reporting pipelines using Google Sheets (`QUERY`, `IMPORTRANGE`) and MS Excel. • Built dynamic Power BI dashboards monitoring regional sales trends, inventory turnover, and team KPIs.	
Skill Upskilling & Analytics Specialization Gap	Aug 2023 – Apr 2024
• Completed rigorous training in Advanced Excel, Google Sheets, Power BI, and Generative AI Tools (ChatGPT, Gemini, Copilot, Claude) to accelerate analytics capabilities.	
MIS Executive — <i>Patel G Tech LLP</i>	Apr 2023 – Jul 2023
• Managed database entries and daily operational sales summaries. *(Transitioned early due to job profile mismatch)*.	
Junior MIS & Back Office Executive — <i>OS4Ed Pvt. Ltd. (EjobIndia)</i>	Jul 2022 – Mar 2023
• Managed back-office operational records and audited data using Pivot Tables, VLOOKUP, and conditional formatting.	
Operations, Web Design & Freelance Analytics — <i>Various Roles / Independent</i>	Prior to 2022
• Executed freelance web design projects and delivered custom Excel reporting solutions for independent clients. • Completed Industrial Technical Internship at CESC, focusing on electrical systems and operational workflows. • Handled high-volume data entry, database maintenance, and back-office record management across operational roles.	

KEY ANALYTICS PROJECTS

- **Advanced Power BI Sales & Forecasting Dashboard** [\[View Project\]](#)
 - Engineered Power BI dashboard featuring sales performance metrics, predictive forecasting, and interactive DAX modeling.
- **Power BI Sales Analysis Dashboard** [\[View Project\]](#)
 - Built interactive Power BI dashboard using Power Query ETL and DAX calculations to analyze revenue distribution.
- **Excel Sales Performance Dashboard** [\[View Project\]](#)
 - Created dynamic Excel dashboard utilizing INDEX/MATCH, dynamic array formulas, and interactive slicers.
- **Excel Sales Analysis Pivot Report** [\[View Project\]](#)
 - Designed multi-tab report using Pivot Tables, calculated fields, and conditional formatting to analyze sales metrics.

EDUCATION & INTERNSHIP

Qualification / Degree	Institution / School	Year	Score
B.Tech in Electrical Engineering	Future Institute of Engineering and Management	2018	74.20%
Class 12th (Higher Secondary)	Naktala High School	2014	74.60%
Class 10th (Secondary)	Naktala High School	2012	75.28%
